MEMORANDUM FOR: The Director of Central Intelligence

25X1A

SUBJECT : Proposed Letter [REDACTED]

25X1A

As you will note from the attached buck slip from Red White, he has asked me to concur in the attached letter which he has prepared for your signature [REDACTED]. I have so little background concerning the nature of this administrative controversy that I do not feel qualified to either concur or not concur substantively. However, the letter prepared for your signature is diplomatically phrased and I do not see how it could do any harm. It occurs to me that you might wish to dispose of this matter by oral discussion at the time of [REDACTED] visit here -- and that if you should wish to write the letter in any case, you might add as a P. S. the point that if [REDACTED] is still concerned he will presumably have a chance to clear up any questions at the time of his visit.
